LB 50, 321

SPEAKER BAACK: Thank you, Senator Haberman. Further discussion. Senator Moore.

SENATOR MOORE: Mr. Speaker, I'd simply...LB 50 was part of the committee package, it simply gives some monies that I think the State Treasurer probably deserves for the work, in this case, she does for these various state agencies. And I think by charging them it's kind of like a copayment that we talked about last week, by charging them the proper cost, I think that may have the impact, they will only be asking the State Treasurer to do what is absolutely needed. And so, with that, I'd ask for advancement of the bill.

SPEAKER BAACK: Thank you, Senator Moore. Any other discussion? Seeing none, Senator Schimek, would you like to close?

SENATOR SCHIMEK: No, just...I mean, yes, just briefly. There may be that possibility, too, but I don't think to any great extent. It will bring some money into the General Fund, and I would simply urge its adoption.

SPEAKER BAACK: Thank you, Senator Schimek. You've heard the closing on the advancement of LB 50. We'll now vote on the advancement. All those in favor vote aye, opposed vote no. Record, Mr. Clerk.
